Our First Campaign in Frankford, DE

Owen, Brian, Caleb and Gregg on the first day.

Owen, Brian Lehman, and Angela Lewis

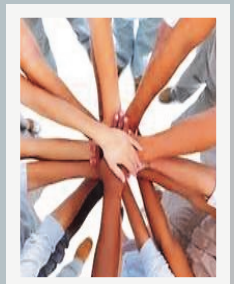

We held our first campaign for Christ in Frankford, DE during the month of May. Brother Owen Olbricht, a great Bible teacher, author, missionary, and adjunct instructor for the school, traveled up from Little Rock, AR to work with us. Owen has been doing campaigns in the northeast for many years. **Connecting the student with a seasoned evangelist in the actual one on one situation is practical training, and that is what we love about NEIE, on the job training!** Standing behind Owen is brother Brian Lehman (student at NEIE), and to the right, Angela Lewis, a new sister in Christ! Brian was partnered with Owen on one of the follow-up studies with Angela. Brother Isaac Prince was with him when he taught Angela the gospel initially. Gregg Lehman (instructor at NEIE and the preacher at Frankford) did a wonderful job organizing the effort along with Brian, his wife Mary and their younger son Caleb. We knocked on approximately three hundred doors. Seventy two surveys were taken, from which five studies were conducted so far. Two souls were added by the Lord through the effort, Angela, and Pearl Williams. Please pray for our new sisters, and the follow up studies.

What Is NEIE All About?

Are you concerned about winning souls to Christ, but have fears about sharing the message? Have you considered helping to teach classes at church, but are not comfortable with your Bible knowledge? Do you dream of doing stateside mission work, or traveling overseas to reach the lost in foreign fields? If these, or similar thoughts have been running through your mind, then the **Northeast Institute of Evangelism** is designed to help YOU! Teaching others to teach is what we are all about!

NEIE is not a preaching school, at least in the classic sense of what we know a “preaching school” to be. We have plenty of preaching schools amongst us, and they fulfill a great need. **Our Vision: “We are committed to establishing seed-sowers for the kingdom through classroom theory, and practical application, that they may learn to teach others to teach (Matthew 28:18-20; 2 Timothy 2:2).”**

We are a traditional (brick and mortar) school, offering a ten course, two year program, with classes held in the evening. The student will gain real world experience, being able to do mission work in the local area, out of state, or overseas! If you have questions, please do not hesitate to call us: **(610) 306-2946**

Isaac Prince - A Heart for Soul Winning!

Fired up! That is what you will say about brother Isaac Prince after speaking with him for several minutes. To say he loves evangelism is an understatement! He is a member of the Chester Church of Christ now worshipping around the corner in Upland, PA. Isaac (25 years young) is a formal student at NEIE currently in the 3rd quarter of

study. He works two jobs supporting his wonderful wife Kim and their five beautiful children (ages one through nine). He has been an active member serving in all facets of worship, except preaching. His parents, David & Earline have been involved in outreach for years at Chester setting a good example for him. We asked Isaac to tell us why he chose NEIE to study the Word and evangelism? He said, "It's the first school in the northeast, that I know of, to cover evangelism in depth, and I wanted an emphasis in that area." He went on to say, "My dream is to become the best evangelist I can for the Lord's church." Our prayer is that we are able to help him achieve that dream. Please pray for Isaac Prince and his family. -Go As You Grow-

Our Curriculum

Classes at NEIE are focused on our vision: **"Committed to establishing seed sowers for the kingdom through classroom theory, and practical application, that they may learn to teach others to teach (Mt. 28:18-20; 2 Tim. 2:2)."**

Each class will build upon the last giving the student an holistic understanding of Scripture; church history; hermeneutics; etc., all geared toward the student being equipped to comfortably teach others .

While students are learning, they are challenged to apply themselves in personal work. Practical application is vital to our program. Learning the Bible without doing the work is not what we are about at NEIE. We are a **"Go as you Grow...Grow as you Go"** school. **The student is

connected with opportunities to do local, out of state, and or overseas mission work. Participation is a necessary part of the curriculum, when studying formally, and or informally.

We have ten **required** courses to graduate from the program. Currently the student has the option to attend on Monday evenings or Saturday mornings.

Courses taught are:

1. Introduction to Bible Study
2. Introduction to Evangelism/ Missions
3. Old/New Testament Survey
4. Church History
5. The Scheme of Redemption
6. Dealing with Arguments/ Intro Christian Apologetics

7. Biblical Interpretation/Intro to Hermeneutics
8. The Authority of Christ
9. Denominational Doctrines/ Islam
10. Evangelism & the Life of the Soul Winner

***NEIE is a non-profit institution.** Each class is **tuition free**. The only cost is for text books, and class materials, (i.e., handouts, binders).
****Students learn how to raise funds for mission trips out of state, and overseas.**
